

Notice to all MRC members;  
RE; Little John Lease Lands

April 21, 2020

Today I spoke with Mike Walsh who is one of the land owners of Woodwise- Samon River Timber Co. about the May 1<sup>st</sup> opening of our Little John lease land to vehicle travel. He is quite concerned that the roads are too soft for vehicles to travel on without creating damage to them. **For now, the roads are still CLOSED.**

Note that the roads will be open and the 2020 MRC locks applied at the gates when we are certain that the roads can handle the traffic without leaving damage. Kelly Perkins will be checking them periodically to update us on the conditions.

All members are still allowed **to enter the lease lands on foot** to enjoy the outdoors. We hope the opening will only be delayed for a week or 2, however we will keep you informed. Thank you for your understanding and cooperation on this.

Stay healthy all!
