

## Proposed ByLaws Change Notice

Some time ago, the Board temporarily expanded our full membership role from 275 to 300 members. The time for that to expire has arrived. So, our current Board has proposed, to the Membership, that we make the change from 275 to 300 full members, permanent.

This is the first posting of this notification, in accordance with our bylaws. Vote will be held in August, if circumstances permit.
