PO Box 171  
Pulaski, NY 13142

Dear Gary:

We are writing in regards to the land you lease on C-H Lots # 266 and 272. We sold the marked timber on these lots and a logging crew will start moving equipment this weekend and start cutting the marked timber next week. We apologize for the last minute notice.

No work will be allowed the last week of bow and the first 9 days of gun season. We will clean up when possible.

If you have any questions please give me a call or e-mail.

Best Regards,

COTTON-HANLON, INC.
