

MRC Membership

2/16/2021

Hello all, 2020 sure was something, was it not? Somehow, we were able to get thru it and put it behind us. But before we totally forget a challenging year I feel we should reflect on some incredibly “essential” things we did as the MRC club family.

- First, we started the year with a new electronic dues payment system on line and we had a number of our people use this method to make their payments
- We held our annual venison dinner in March
- We held our elections in April filling all open positions as needed
- Members did Trout stocking which took place on Little John lease land in early June
- We held the annual new member orientation for the club
- We held our awards – family picnic in July
- Upgraded the club house parking lot and leach (drainage) field
- We also held the 2nd annual Hog Fest Memorial pig roast and raised money for 2021 trout stocking
- The youth trap league took center stage trap shooting each week
- We held a new event Trunk or Treat event in October – WOW what a hit, it will return in 2021
- We were blessed with full membership and the members logged many hours enjoying the club lease lands, camping, fishing, hiking, ATVing, hunting, getting together

As we navigate thru this new year, I challenge you all help the club in some way. Please try and join in on our meetings each month thru ZOOM or in person when we can start them up again. Your involvement in the club is what continues to make it strong and great. Remember it is your club and you get out of it what you put in.

Your Officers and Board of Directors are working hard to keep the business issues updated. One item they are working on is the coming elections in April and options for members to cast their vote. It’s important that you keep informed on the systems which will be available for you to vote in case we can’t gather due to Covid restrictions. Please keep informed thru our website newsletter.

This past year has shown us that we can take a seemingly rough year and turn it around when we get together as a club family and do some essential things when we get together. Let's continue this throughout 2021 and make it a great year to be an MRC family member.

Best regards to all

Gary Crawford

MRC President
